MSC One Licensing Scenarios

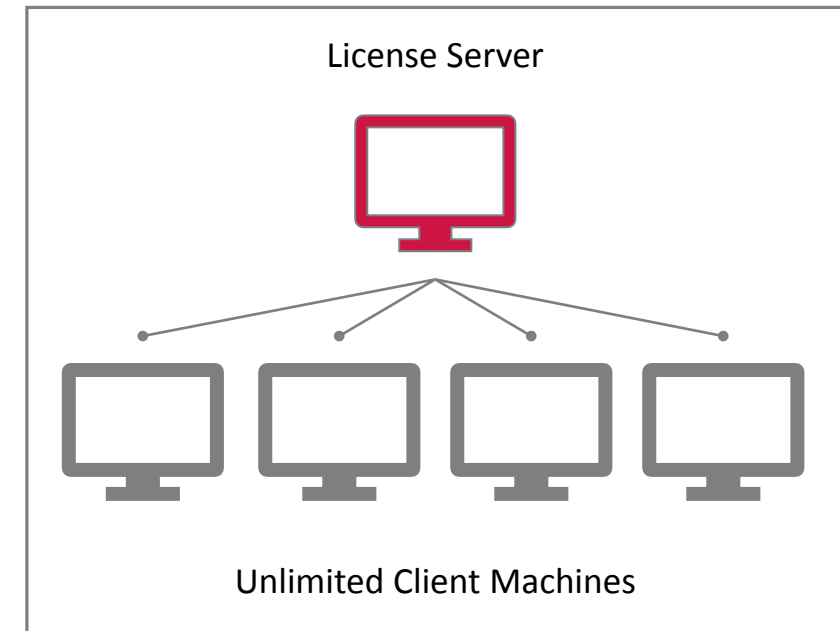

Steff Evans

09/10/2018

MSC One Network Licensing

- MSC One network licensing available to unlimited client machines
- No maximum token limit
- Access to full range of MSC One products

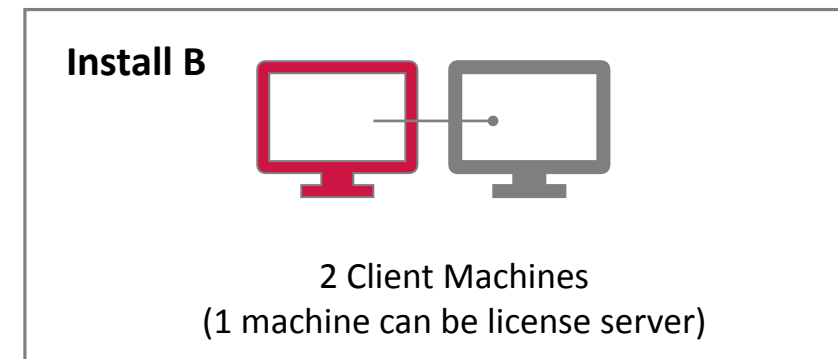

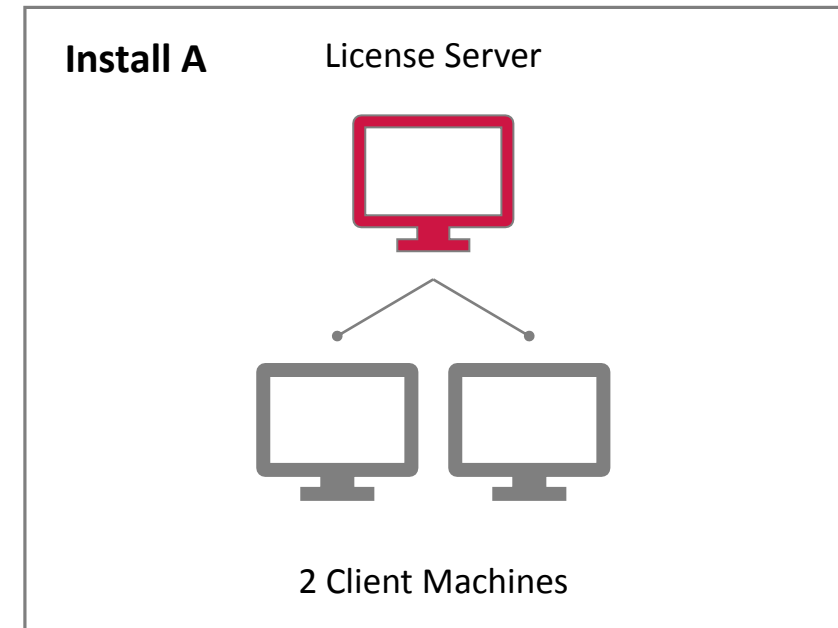

- | | | | |
|----------------------------------|-----------------------------------------|-------------------------------------|-----------------------------------|
| <input type="checkbox"/> Actran | <input type="checkbox"/> Marc | <input type="checkbox"/> Patran | <input type="checkbox"/> scFLOW |
| <input type="checkbox"/> Adams | <input type="checkbox"/> MaterialCenter | <input type="checkbox"/> SimManager | <input type="checkbox"/> scSTREAM |
| <input type="checkbox"/> Digimat | <input type="checkbox"/> MSC Apex | <input type="checkbox"/> SimXpert | <input type="checkbox"/> PICLS |
| <input type="checkbox"/> Dytran | <input type="checkbox"/> MSC Nastran | <input type="checkbox"/> Sinda | |
| <input type="checkbox"/> Easy5 | <input type="checkbox"/> Mvision | <input type="checkbox"/> SC/Tetra | |

MSC One Start Edition, 2-User

- MSC One Start-Edition, 2-User licensing available to two client machines
- 60 token limit
- Access to Start Edition range of MSC One products

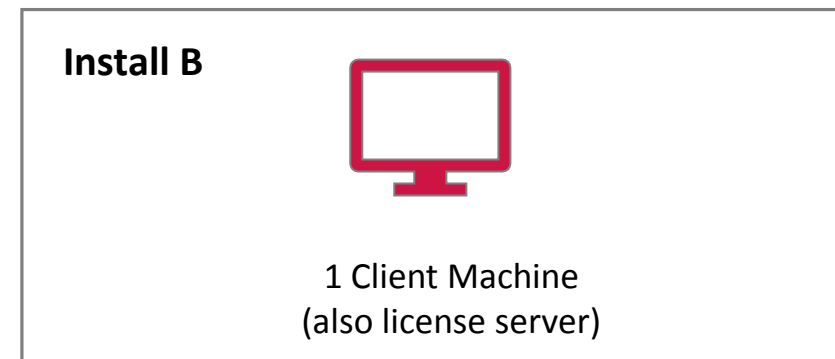

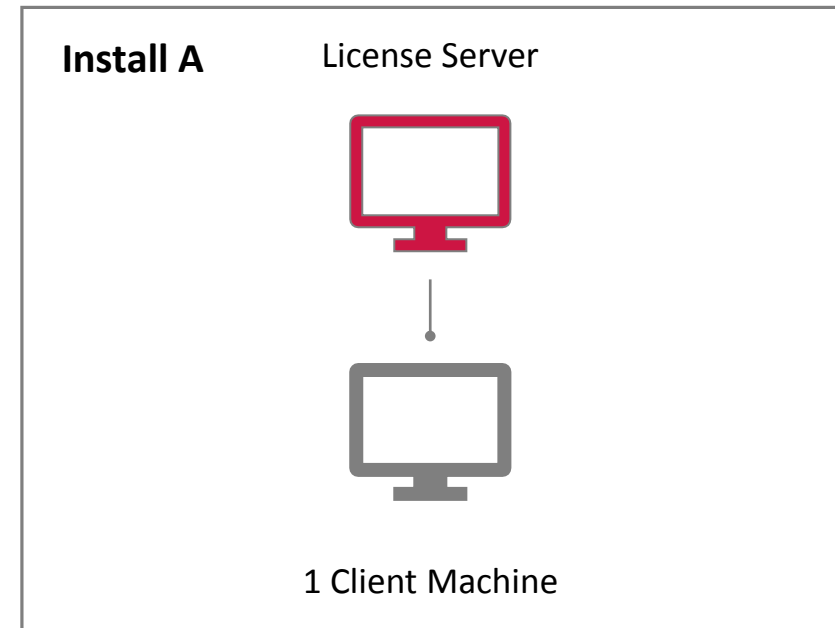

- | | |
|--------------------------------------|-----------------------------------|
| <input type="checkbox"/> Adams | <input type="checkbox"/> SimXpert |
| <input type="checkbox"/> Marc | <input type="checkbox"/> SC/Tetra |
| <input type="checkbox"/> MSC Apex | <input type="checkbox"/> scFLOW |
| <input type="checkbox"/> MSC Nastran | <input type="checkbox"/> scSTREAM |
| <input type="checkbox"/> Patran | <input type="checkbox"/> PICLS |

MSC One Start Edition, 1-User

- MSC One Start-Edition, 1-User licensing available to two client machines
- 30 token limit
- Access to Start Edition range of MSC One products

- | | |
|--------------------------------------|-----------------------------------|
| <input type="checkbox"/> Adams | <input type="checkbox"/> SimXpert |
| <input type="checkbox"/> Marc | <input type="checkbox"/> SC/Tetra |
| <input type="checkbox"/> MSC Apex | <input type="checkbox"/> scFLOW |
| <input type="checkbox"/> MSC Nastran | <input type="checkbox"/> scSTREAM |
| <input type="checkbox"/> Patran | <input type="checkbox"/> PICLS |
